MORE CONCENTRATED PRACTICE NECESSARY FOR OPPERETTA

The students are working faithfully in Glee Club and orchestra on the opperetta which is progressing quite rapidly.

New schedules for practice have been made and everyone is expected to keep these hours in mind.

The girls' Glee Club will practice on Monday, Wednesday, and Friday mornings of each week. The orchestra will practice on Monday and Tuesday evenings after supper, on Tuesday and Thursday mornings, and Wednesday after school besides the usual 20 minute period before noon of each day.

EAGLE POINT C.E. PLANS TO WIN BANNER

Report from the members attending the executive meeting at the Presbyterian church at Phoenix, Sunday afternoon March 2, aroused a new enthusiasm which is the possibility of winning a banner.

This banner will be awarded at the Paul Brown Rally in Medford March 11 as a reward for the society which brings the largest attendance. This is based according to the per cent of members that attend their regular meetings. All members are encouraged to attend and hear Mr. Brown and to help win the banner.

GRANCE DEGREE TEAM INITIATES MEMBERS

The third and fourth degree team, of the Eagle Point Grange, put on their degree work Tuesday night, initiating Miss Montgomery and Tom Riley into the fourth degrees at their regular meeting of March 4. Mrs. Hak directed the tableaux and Ted Seaman the drills.

The lecture hour, planned by Mrs. Ward, was a very entertaining one. The program consisted of a harmonica solo by Pearl Stowell; a violin duet by Elsie Wilhite and Bill Miller; Mrs. Barnes gave a short talk on poultry and their diseases and cure.

This was the bachelors night to serve. Although they made the crowd wait for five minutes, it was no doubt, worth it. Their supper consisted of chili beans, crackers, onions, cup cakes and coffee.

EAGLE POINT GIRLS TO PLAY TALENT

The Talent and Eagle Point Girl's will play off the tie in Basket Ball some night next week.

The former games with this team were hard fought and close. The scores of these games were 15 to 19 in Eagle Point's favor and 22 to 24 in Talent's favor.

BASKETBALL SEASON CLOSES

The Basket Ball season for Eagle Point High is drawing to a successful ending. There is an elated feeling of victory not only in the minds of the teams but of the school and community members.

The teams have shown a better standing in both winning of games and the establishing of true sportsmanship.

The girls team has made a name for Eagle Point this yr. Our boys team have gained a start in the work that will surely help them to reach the top in the coming school year.

The school and teams well receive the congratulation of the community but the team members know that the thanks should be extended to the coaches, for it was these leaders who cheered the teams when they were discouraged and kept up the moral of the teams when things went wrong. So in the name of the Teams and Students, "Miss Durt and Mr. Haan, We thank you."

BROWNS STORE ROBBED WEDNESDAY NIGHT

Browns store was robbed some time Wednesday night. The Burglars entered through a back window of the store. They took \$1.20 in change and all kinds of clothing consisting of--shirts, neck ties, shoes, and other wearing apparel.

The pupils of Miss Darneille's room have a new bulletin board. When a perfect paper is handed in, it is placed on the board where every one may see it.

The Third Grade made a cupboard for their room by placing two boxes together and covering them with crepe paper.

Mr. Phillips presented Miss Aitken's room with a potted plant.

The boys of Miss. Aitken's room are making theaters from pieces of board that they have saved for this purpose.

It is evident that spring is here, for every room has a vase of wild flowers on "teacher's" desk.

Dale Cox of Mr. Haan's room was seriously cut, when he fell on a piece of glass while playing. Several stitches had to be taken in his hand.

BELEIVE IT OR NOT

Donald didn't throw any paper wads today.

Mary and John haven't had a quarrel for a week.

Girl's Glee Club met Monday with a hundred per-cent.

Mr. Davies still has a large Valention on his desk.

Dorothy Davis gained ten pounds this week.
